(a) The debtor failed to pay all of the debt on demand, or the creditor agency has collected as much as possible from payments due the debtor from the paying agency; and

(b) The creditor agency sends a debt claim to OPM (under §845.405(b) (1), (2), (3) or (4), as appropriate) after doing one of the following:

(1) Obtaining a court judgment for the amount of the debt;

(2) Following the procedures required by 31 U.S.C. 3716 and 4 CFR 102.4;

(3) Following the procedures required by 5 U.S.C. 5514 and subpart K of part 550 of this chapter; or

(4) Following the procedures agreed upon by the creditor agency and OPM, if it is excepted by §845.405(b)(4) from the completion of procedures prescribed by §845.405(b)(3).

§ 845.405 Creditor agency processing for non-fraud claims.

(a) *Where to submit the debt claim, judgment or notice of debt*—(1) *Creditor agencies that are not the debtor's paying agency.* (i) If the creditor agency knows that the debtor is employed by the Federal Government, it should send the debt claim to the debtor's paying agency for collection.

(ii) If some of the debt is unpaid after the debtor separates from the paying agency, the creditor agency should send the debt claim to OPM as described in paragraph (b) of this section.

(2) *Creditor agencies that are the debtor's paying agency.* Ordinarily, debts owed the paying agency should be offset under 31 U.S.C. 3716 from any final payments (salary, accrued annual leave, etc.) due the debtor. If a balance is due after offsetting the final payments or the debt is discovered after the debtor has been paid, the paying agency may send the debt claim to OPM as described in paragraph (b) of this section.

(b) *Procedures for submitting debt claim, judgment or notice of debt to OPM—*(1) *Debt claims for which the agency has a court judgment.* If the creditor agency has a court judgment against the debtor specifying the amount of the debt to be recovered, the agency should send the debt claim and two certified copies of the judgment to OPM.

(2) *Debt claims previously processed under 5 U.S.C. 5514.* If the creditor agency previously processed the debt claim under 5 U.S.C. 5514, it should—

(i) Notify the debtor that the claim is being sent to OPM to complete collection from the Fund; and

(ii) Send the debt claim to OPM with two copies of the paying agency's certification of the amount collected and one copy of the notice to the debtor that the claim was sent to OPM.

(3) *Debt claims not processed under 5 U.S.C. 5514, reduced to court judgment, or excepted by paragraph (b)(4) of this section.* (i) If the debt claim was not processed under 5 U.S.C. 5514, reduced to court judgment or excepted by paragraph (b)(4) of this section, the creditor agency must—

(A) Comply with the procedures required by 4 CFR 102.4 by issuing written notice to the debtor of the nature and amount of the debt, the agency's intention to collect by offset, the opportunity to obtain review within the agency of the determination of indebtedness, and the opportunity to enter into a written agreement with the agency to repay the debt; and

(B) Complete the appropriate debt claim.

(ii) If the debtor does not respond to the creditor agency's notice within the allotted time and there is no reason to believe that he or she did not receive the notice, the creditor agency may submit the debt claim to OPM after

certifying that notice was issued and the debtor failed to reply.

(iii) If the debtor responds to the notice by requesting a review (or hearing if one is available), the review (or hearing) must be completed before the creditor agency submits the debt claim.

(iv) If the debtor receives the notice and responds by consenting to the collection, the creditor agency must send (to OPM) a copy of the debtor's consent along with the debt claim.

(4) *Debt claims excepted from procedures described in paragraph (b)(3) of this section.* Creditor agencies must follow specific procedures approved by OPM, rather than those described in paragraph (b)(3) of this section, for the collection of—

(i) Debts due because of the individual's failure to pay health benefits premiums while he or she was in nonpay status or while his or her salary was not sufficient to cover the cost of premiums;

(ii) Unpaid Federal taxes to be collected by Internal Revenue Service levy;

(iii) Premiums due because of the annuitant's election of Part B, Medicare coverage (retroactive collection limited to 6 months of premiums); or

(iv) Overpaid military retired pay an annuitant elects in writing to have withheld from his or her annuity.

(5) *General certification requirements for debt claims.* Creditor agencies submitting debt claims must certify—

(i) That the debt is owed to the United States;

(ii) The amount and reason for the debt and whether additional interest accrues;

(iii) The date the Government's right to collect the debt first accrued;

(iv) That the agency has complied with the applicable statutes, regulations, and OPM procedures;

(v) That if a competent administrative or judicial authority issues an order directing OPM to pay a debtor an amount previously paid to the agency (regardless of the reasons behind the order), the agency will reimburse OPM or pay the debtor directly within 15 days of the date of the order.

NOTE: OPM may, at its discretion, decline to collect other debt claims sent by an agency that does not abide by this certification.

(vi) If the collection will be in installments, the amount or percentage of net annuity in each installment; and

(vii) If the debtor does not (in writing) consent to the offset, or does not (in writing) acknowledge receipt of the required notices and procedures, or the creditor agency does not document a judgment offset or a previous salary offset, identify the action(s) taken to comply with 4 CFR 102.3, including any required hearing or review, and give the date(s) the action(s) was taken.

(6) *Notice of debt.* When a creditor agency cannot send a complete debt claim, it should notify OPM of the existence of the debt so that the lump-sum will not be paid before the debt claim arrives.

(i) The notice to OPM must include a statement that the debt is owed to the United States, the date the debt first accrued, and the basis for and amount of the debt, if known. If the amount of the debt is not known, the agency must establish the amount and notify OPM in writing as soon as possible after submitting the notice.

(ii) The creditor agency may either notify OPM by making a notation in column 8 [Remarks] under “Fiscal Record” on the Individual Retirement Record, if the Individual Retirement Record is in its possession, or if not, by submitting a separate document identifying the debtor by name, giving his or her date of birth, social security number, and date of separation, if known.

(c) *Time limits for sending records and debt claims to OPM—*(1) *Time limits for submitting debt claims.* Unless there is an application for refund pending, there is no specific time for submitting a debt claim or notice of debt to OPM. Generally, however, agencies must file a debt claim before the statute of limitations expires (4 CFR 102.4(c)) or before a refund is paid. Time limits are imposed (see § 845.406(a)) when the debtor is eligible for a refund and OPM receives his or her application requesting payment. In this situation, creditor agencies must file a complete debt claim within 120 days (or 180 days if the agency requests an extension of time before the refund is paid) of the date OPM requests a complete debt claim.

(2) *Time limit for submitting retirement records to OPM.* A paying agency must send the Individual Retirement Record to OPM no later than 60 days after the separation, termination, or entrance on duty in a position in which the employee is not covered by FERS.

§ 845.406 OPM processing for non-fraud claims.

(a) *Refunds—incomplete debt claims.* (1) If a creditor agency sends OPM a notice of debt claim against a refund OPM is processing for payment, OPM will withhold the amount of the debt but will not make any payment to the creditor agency. OPM will notify the creditor agency that the procedures in this subpart and 4 CFR 102.4 must be completed; and a debt claim must be completed and returned to OPM within 120 days of the date of OPM’s notice to the creditor agency. Upon request, OPM will grant the creditor agency one extension of up to 60 days if the request for extension is received before the lump-sum payment has been made. The extension will commence on the day after the 120-day period expires so that the total time OPM holds payment of the refund will not exceed 180 days.

(2) During the period allotted the creditor agency for sending OPM a complete debt claim, OPM will handle the debtor’s application for refund under section 8424 of title 5, United States Code, in one of two ways:

(i) If the amount of the debt is known, OPM will notify the debtor of the debt claim against his or her lump-sum credit, withhold the amount of the debt, and pay the balance to the debtor, if any.

(ii) If the amount of the debt is not known, OPM will not pay any amount to the debtor until the creditor agency certifies the amount of the debt, submits a complete debt claim, or the time limit for submission of the debt claim expires, whichever comes first.

(b) *Refunds—complete debt claims—*(1) *OPM receives an application from the debtor prior to or at the same time as the agency’s debt claim.* (i) If a refund has been paid, OPM will notify the creditor agency there are no funds available for offset. Except in the case of debts due because of the employee’s failure to pay health benefits premiums while he
